

2024 Planned Works

SiennaArtStudios.com

Turn in this completed document to Sienna, Brianna or Ell when you're ready to reserve your original drawing

Reserving an Original Drawing:

Select your drawing from the list below and secure it with a 10% deposit at your preferred size. You can choose the medium and color palette or you can leave it up to the artist. All creative decisions beyond these choices will remain with Sienna.

Collectors receive 10% off when placing an early reservation from this catalog and Patrons get 15% off. Payment plans are available. You will receive your original numberism drawing after full payment and shipping charges have been paid in full. All reserved drawings are non exclusive, and Sienna retains rights of reproduction. Deposits and payments are non refundable. If you are not satisfied with the finished artwork, you can transfer the payments you have made to another completed piece.

Sienna usually accepts 3 (+/-1) reservations each time she opens her books. Due to increased interest, we are offering collectors the opportunity to reserve an original for List A (starting in January 2024) or List B (Starting in December 2024) should List A fill up.

I am reserving an original on List A (Limit 3 (+/-1))

I am reserving an original on List B (Limit 2)

Circle or highlight your preferred size

*Copper engravings include an additional 5% fee

	Full Price	Early Reserve Price	Patron Price	Early Reserve Deposit	Patron Deposit

32x48	\$21,333	\$19,200	\$18,133	\$1,920	\$1,813

Payment plans available from 2-12 installments

ANATOMY

Concept Sketches:

This is an open request for any musculoskeletal subjects from any part of , or the full body.
Note: whole body illustrations are only available at 20"x30" or larger

1. Choose a body part or concept

Body Part in partial or full anatomical reveal (example: skull, back, legs, hands, etc)

Activity (example: singing, climbing, running, knitting!, etc)

Artist choice!

Concepts:

Vitruvian Woman (alla DaVinci):
(Whole body)

Dissection illustration

Body part(s)

Artist Choice!

Anatomical Hands

Potter

Climber

Violist/Violinist

Guitarist

Harpist

Other _____

2. Choose your data type:

- Anatomical Terminology:** Sienna will draw these pieces as a learning device to help her ace Anatomy and Physiology! *This series **may** start during fall term.*
 - Example: muscle names, function or motion: Pectoralis major, adduction and internal rotation*
- Scientific data:** Mechanical properties of tissues, and chemistry related to muscle and joint function. This data is similar to that found in “Anatomical Pianist”
 - Example: tensile strength, force limits, range of motion, chemistry of muscle contraction and bone minerals*
- Artist’s choice!**

3. Choose your medium

- Clayboard mixed media
- Pen on gouache (paper)
- Scratchboard
- Other _____
- Artist choice!

Clayboard

Pen on gouache

Scratchboard

STAR STUFF

Animals illustrated with the amount of energy a star spent on making them (and the related nuclear chemical process). This data is calculated by Sienna! The purpose of this work is to highlight the similarities between ourselves and non-human animals. This work may also include chemistry or neurological data.

1. Select your animal

- | | |
|---|--|
| <input type="checkbox"/> Octopus | <input type="checkbox"/> Chimpanzee (or other non human primate) _____ |
| <input type="checkbox"/> Raven / Crow (circle preference) | <input type="checkbox"/> Human Baby |
| <input type="checkbox"/> Bird (Specify species if not Artist Choice *Multiple Reservations available) _____ | <input type="checkbox"/> Rat |
| <input type="checkbox"/> Elephant | <input type="checkbox"/> Dog |
| | <input type="checkbox"/> Other _____ |

2. Select your medium.

- Mixed media Scratchboard
- *Copper engraving through single dark color (or other metals) _____
- *Copper engraving through galactic oil paint (or other metals) _____
- Black Scratchboard
- Other _____
- Artist Choice!

Mixed media scratchboard

Copper engraving through single color

Copper engraving through galactic style oil paint

MOUNTAIN SERIES

Concept Sketches:

Mt Mayon

Mountain Community

Community Tree and Root Concepts

Each Mountain is drawn with the chemical character of their minerals and the properties of their magma which dictates the power of their explosive or effusive eruptions. The Mountain Community includes data regarding ecosystem support and communication.

1. Choose your Mountain

- Mt Mayon eruption** (or other stratovolcanoes exhibiting lava flows)
 - If other, specify: _____
- Mountain Community:** This illustration marries the data in Mt Hood, Forest Bathing and “Strength in Numbers”.
- Other Mountain** _____

2. Select you medium.

- Copper engraving through single dark color
- Scratchboard engraving
- Clayboard mixed media
- Pen on gouache (paper)
- Other _____
- Artist Choice!

Copper engraving through single dark color

Scratchboard engraving

Clayboard mixed media

Special Request Section

If you have a concept for an original numberism drawing that is not listed in this catalog, please describe it briefly here and Sienna will consider them on a case by case basis. Please note that special requests are rarely accepted
